If buyer decides for any reason that he/she cannot keep their Turbo Golden, Turbo Retrievers (We) MUST be notified and given first right of refusal to obtain said Golden.

If buyer is not happy with their new puppy it can be returned to Turbo Retrievers within one week for a replacement of equal value or the full refund of purchase price. Buyer is responsible for all costs associated with pup's return.

In the event that a TURBO dog is suspected of having a hereditary defect, this is the procedure to follow:

1. Notify us by telephone or letter.
2. Submit hip x-rays to OFA (We do NOT honor or support Penn Hip readings-AKC only recognizes the OFA as a registry) We also require that you send us a copy of the x-ray, or send us a copy of the ophthalmologist eye exam, or other test results.

If the dog cannot obtain a normal hip or eye certification, or has a hereditary problem precluding it to be nonfunctional or unbreedable, then to qualify for a replacement:

1. The dog must be returned to us in good health or the dog must be put to sleep by your veterinarian, and a letter from him/her stating that he/she has done so, must be sent to Turbo Retrievers, us.
2. The dog's registration certificate must be returned to us, signing ownership back to us.

The entire purchase price of any dog covered by this warranty may be applied to a puppy from any TURBO litter of your choice.

To be covered by our Warranty:

1. The dog must have Turbo as the Prefix of his AKC Registered name.
2. The dog must be owned by the original buyer and not changed owners.
3. The dog must not have whelped or sired a litter.
4. The dog must be under 26 months of age.

If you opt to keep the defective Turbo dog, We require an acceptable Veterinarian's written proof of neutering immediately. The dog's registration certificate must be returned, signing ownership over to us. Following this procedures, you are entitled to another Turbo puppy for one-half the then current purchase price.
