Laddie is an impressive dog from a spectacular litter of one of the best field golden breedings in the last 10 years. This litter produced Flash, FC AFC Topbrass No Time to Paws SH WC OS FDHF, who finished the National Amateur Championship for the first time in thirteen years for a golden to have finished. His other brothers are Topbrass Diesel MH MNH \*\* WCX, Topbrass Firestorm \*\*\*, and notably Topbrass Liberty Belle III CD MH QA2 WCX VCX CCA who could still achieve an AFC. Laddie has JAM'd numerous Qualls and is still working on his All Age Qualification. Laddie brings 4 field champions to the puppy pedigree. Laddie is a dark red golden with a fighting weight of 68#. Laddie brings all Clear/Clear/Clear genetic status and excellent hips to the pedigree. Laddie is all amateur trained and trialed. Our last/first Laddie litter was one of the best testing/performing pups we have had at 7 weeks.
