Bella likes to run and run long. Bella is co-owned nearby and Ron gets to train her but she only gets about a third of the training the other girls get. Even so, Bella comes out to train as if she last trained yesterday and builds on that last training session without any loss of continuity. Bella is a Master Hunter and Hunting Retriever Champion/Upland Hunter. Bella is a little bigger than the average Turbo girls weighing 58# with a medium flat coat with a lighter bottom side. Bella has a CD, CCA and with a MH and Qual Jam obtained a VCX title. Bella has 2yr old pups out of Bart (FC AFC Glenhaven HTRS MN Baronet MH OS FDHF) that are now competing at senior level. Bella has wonderful line manners and is an excellent marker.

Rugby began his field career by winning his first derby at ten months going and is the only golden to be on the National Derby List prior to their first birthday with 37 points. He won the second Qual he ran at 16 months then another at 18 months. JAMmed an Open at 25 months, then got a second in the Amateur both at 26 and 27 months. Rugby lived only with and was run Linda Browne. He finally got his Amateur win and entered the GRCA FDHF at four years. A true pleasure to stand beside at the line, he was equally as wonderful in the house. Very quiet and sweet in the house. Very focused and intense at work and a pin point marker. He had a flirtatious sense of humor and loved everyone. He has sired 29 Qualified All Age offspring and numerous dogs with derby and all age points.
