Molly is extremely focused on her surroundings and intensely driven to work at every opportunity. She is a 50.5 lb. short, compact, agile girl that can cut and dodge circles around the other faster dogs. She is a very sweet, loyal and affectionate girl. She is an excellent marker and is Qualified All Age Twice (QA2) jamming the Qual, the Am and the Open at the 2016 GRNS. Molly's structure would make her a perfect agility dog. She has a CDX obedience title and CCA conformation title which yielded a Versatility Excellent title. Molly is the only dog known by AKC to have earned three titles, a JH title, a SH title and a MH title, at the pass of a single Junior hunt test (picture with JH ribbon & 3 title ribbons in picture bottom/left). Molly is always focused on Ron, where Ron is, what Ron is doing, and is always next to Ron waiting serve Ron at his beckon call. Molly is Ron's navigator generally sitting on alert surveying the road ahead for birds and deer.

Bart was a dark gold with dark eyes and dark pigment. Bart was very watery, stylish, athletic and intelligent. He ran and trained with great enthusiasm and was a team player. He was a strong marking dog and could do the big punch birds on both land and water. He had a great temperament and a marvelous and endearing personality. Bart is the only golden to sire champion offspring four categories: Field, Obedience, Agility and Tracking and is 11th on the all time list of producers of major titles for all golden sires including show dogs and second all time for field dogs. Bart received the Dick Sampson Memorial, the Gilnockie Challenge Cup and the Torch Flinn-Tigathoe Memorial Trophy from GRCA.
