JoJo was our pick of the litter from our Sharlie/Boomer (line bred) litter. This litter had 5MHs in 22 months getting Sharlie an OD. JoJo was the leader in accomplishments of all those pups. JoJo is a retrieving and working fanatic preferring to be outside ready to stock any prey. JoJo has excellent hips and is the fastest of the Turbo girls. JoJo is 52# and stays in great shape. At nine months JoJo put out a 19.5' dock dive. JoJo's speed, structure and coat is beautiful to watch run. JoJo is the most affectionate of our girls and loves to cuddle with her soft and golden coat. JoJo has the lowest idle speed in the house and off duty, while having the highest red line over the other Turbo girls. Her awareness and attention level is high, she has quick reactions, and FAST FAST FAST!!!!
